Library Help Please

We're still looking for another pair of hands to assist in our school library!! We need help to catalogue and cover books, which is really enjoyable work, and no special qualifications required. 🧡

You would be shown what to do and how to do it, and the times can be fitted to suit you. Your input would be appreciated for one or two hours a week on a regular basis, during the school terms. It would be great to have your help to make the transition to the beautiful new library space for our children to enjoy. Even if you're just a little bit interested and want to talk to someone about it, please get in touch with Lisa in the office.
