FROM THE PRINCIPAL

Kia ora koutou,

Another busy week has passed us by. Thank you for your support of Book Week and the Book Character Dress-up Day. Our Book Fair has been well-visited and I'm sure you can appreciate the sneak preview of the new library space. We can already see how this will be a much loved space for our students.

Thank you to our working bee crew who assisted with numerous property jobs last Sunday morning. All of this effort makes a massive difference to our school and allows funds to be directed towards the students and learning resources. The staff and students appreciate the dedication of our school community.

A number of Term 3 dates are now available. These can be found at the bottom of the Weekly Community Comment found later in the newsletter. It is looking like we have a busy Term 3 ahead.

We may see some switching of staff over the final weeks of Term 2. This will most likely impact Ruru Class. This may occur with short notice, but I'm sure that everyone can understand the circumstances.

Ngā mihi nui,

Rob

MOTUEKA DISTRICT SCHOOLS' CROSS COUNTRY

Congratulations to the students who participated in the Motueka District Schools' Cross Country at Rabbit Island last Friday. We did have teams and students who gained placings.

Individual Results - Top Ten Placings				
Yr 5 and Under Girls	Yr 5 and Under Boys	Yr 6 Girls		Yr 6 Boys

BOOK WEEK DRESS UP DAY

More photos are available on our Facebook page

For Book week we enjoyed a play 'Treasure Island' from NZ Playhouse. Later that day we had a visit from Kate Preece an author and Jenny Cooper an illustrator.

Trash Audit

By Maggie + Jessie

The trash audit at school was really useful for us to see how much trash we make every day.

What we did on the day

We put our gloves on and got to work separating all of the trash. We separated the different types of trash that can be recycled (or not). Each class came around and we talked about the rubbish, compost, glass, tissues, paper, cans, batteries and recyclable rubbish. We each talked about the a rubbish category.

What we can do to help the earth

Next week on Friday, we are going to have a plastic free day! We need to stop wasting ziplock bags (that we can reuse) and use containers that way we can reuse containers and not chucking out ziplock bags because it is more waste and it goes into landfill.

It was disgusting to see all the dog poop that was found in one of the trash bins outside. I found it really disturbing that there was a vape especially because no kids vape (hopefully). I thought it was really cool that the instructor made us think that what we were dealing with was just two days of trash, then what would a whole year be? There were lots of different categories. I liked explaining how compost evolves into soil and then we can grow more things and then eat them and then compost them and so on...

Book Week Set Up - Thank You

A very big thank you is in order for the team that set up the book fair last weekend. Thanks to Anna Lovell, Lisa Brown, Tamzin Cassidy, Sylvie Thomas, Jensie Beloe and Maggie Haddon. What a team!!

TASMAN SCHOOL LIBRARY BOOKS (with white barcode sticker on the front cover)

1. If there are any Tasman School Library books that have been sitting at home, in schoolbags or classrooms for a while, please return these to school ASAP, so they can be put back into the system in time for the move to the new library.

2. Please ensure the "Tasman School Library" books are returned to school, & not any other library. A kind parent recently dropped in 2 Tasman School library books that had been returned to Mouteka Library in error.

Books are precious, please look after ours. Thank you for your help.

Network Tasman Grant Acknowledgement School 2022

In 2022 Tasman School applied for a Network Tasman Grant of \$2000 to support the Year 8 Leadership Programme in 2023. We were successful in our application. We thank Network Tasman for their ongoing support as we have been fortunate to receive this grant on a number of occasions for this purpose over the years. In 2023 the funds have been used to support costs associated with:

- A four day Whenua Iti leadership course
- Tickets to the National Young Leaders' Day in Christchurch
- Accommodation for a week long camp based at Hanmer Springs
- Costs associated with activities in Hanmer Springs eg thermal pools, mountain biking, harnessed tree climbing

MOTUEKA HIGH SCHOOL
