FROM THE PRINCIPAL

Kia ora koutou,

Next week we will be holding our Matariki celebrations. The evening will start at 5:30pm with a kapa haka performance from our students. Please have children here by 5.20 pm. Dinner will kindly be provided by the Tasman School Fundraising Association. Please bring a plate and a mug so you have something to eat off and drink with. Thank you in advance to our fundraising team. Later in the evening there will be a dessert stall with baking organised by our Year 6 - 8 students and whānau. These funds will be used to support the costs of the senior camp at Marahau in Term 4.

The schedule will run approximately to the times listed below:

- 5:30pm start - students to assemble at the blue carpet deck outside Kererū Class and whānau to gather under the shade sails. Performance expected to be 20 minutes long.
- 5:50 - whānau can start to view the art works or attend the BOT Parent Forum display.
- 6:10pm - food to be served from the STEAM kitchen space. Ruru Class, Hall and Kererū Class to be open as warm spaces to eat food. (Library to be closed to food). Whānau can continue to view artworks and participate in the BOT Parent Forum display.
- 6:30pm - desserts to be served by Year 6/7/8 students and supporting parents.

This year we are trying something different. The Matariki evening is being used as an opportunity for whānau to provide feedback regarding a number of questions. This information is considered each year in the construction of our annual Strategic Education Plan. We will also share how this is tracked with the Board of Trustees. This will also enable the school to provide a second opportunity for feedback once the plan for 2024 has been drafted.

Ngā mihi nui,

Rob

Meet your Tasman School Board of Trustees

Parent & Community Forum – Wed 28 June, 6pm
(following Matariki celebration that starts at 5:30pm)

Each year, the Board of Trustees seek school community feedback to inform the development and implementation of the school's Strategic Education Plan.

We want to know how you think the school is doing, where you think it could improve and how it may be able to support your child's learning journey further.

So come along and tell us!

The Strategic Education Plan (Charter) is the guiding document for any school, and sets out the vision, objectives, and key indicators for success over the next 3-5 years. Every year, an Annual Implementation Plan is developed by the Board to put it all into action, with progress reported on and monitored monthly by the Board of Trustees. This shows us whether we're on track to meet our goals and provides direction for decision making.

This is an excellent opportunity to reflect on progress to date, meet Board of Trustee members, ask questions, and find out more about what we do. Come and see us in Kākāpō classroom, after the Matariki celebration on Wednesday 28 June, around 6pm.
