Friday 9 June

Motueka Schools' Cross Country - Selected Year 4-8 Students

FROM THE PRINCIPAL

Kia ora koutou,

We couldn't have asked for a better day on Wednesday for our cross country. The students should be proud of their efforts. We recognise that these events can cause some anxiety, however it has been great to hear stories of parents still encouraging their children to participate and persevere - reaching for that internal grit. Numerous research studies have indicated that grit developed in childhood is a good marker of further academic achievement and success in the workplace. A big thank you to Daniel and Ursula Schwarzenbach for allowing us to use their grounds for the event. Well done to Hayden for setting up a great event and to Rebecca, Joel and Gus Stobie for assisting with the set up of the course on Tuesday afternoon. Results of the event can be found later in the newsletter.

Lost property has built up quickly this term. These items have all arrived since returning to school this term. Please take the time to check this for any items of clothing that may be missing. The lost property container can be found outside Maia's class.

We are also waiting for some Tasman School T-shirts to be returned to our spare collection. It is kindly asked that these are returned as they are needed to help us with uniforms for sports teams made up of a mixture of Tasman School students and students from other smaller schools.

Today we farewell Leah Bennett from Tūi Class as she is moving to Richmond. Leah, we wish you all the best for your new school.

Ngā mihi nui,

Rob

WEEKLY COMMUNITY COMMENT

- 1st) Thomas Genet
- 2nd) Caleb Fenselau
- 3rd) Coby Turvey

Tasman School Cross Country

Miniball Practise and Lunchtime Fun!

529 Garage

529 Garage helps the cycling community to reduce bike theft. You can register bike details and serial numbers, in the event your bike is stolen you can notify the 529 Garage community by creating an alert. Then if the thief tries to sell the stolen bike, potential buyers can search 529 Garage to check if the bike is stolen. This will help to deter thieves as they find they have a much smaller market to sell to. Members of the 529 Garage community and Police can check bikes and if they are stolen, notify the owner and reunite them with their bike.

Bike registration is free and a 529 Shield sticker is an optional, tamper-resistant, weather-resistant decal that has a unique, seven-character ID code. It adds an extra identifier and layer of protection for your bike. The 529 Shield sticker can be purchased from all good bike stores, we recommend you put one on your bike in a visible location. Always report bike thefts to Police, if the theft is happening now call 111 otherwise call 105 or go online to 105.police.govt.nz.

[Bicycle registration for the life of your bike | 529 Garage \(project529.com\)](http://105.police.govt.nz)
